

We are a group of people who offer prayer for any concern or situation. The prayer chain offers the opportunity for immediate prayer. When a prayer request is received the message is passed to others via whatsapp, text or phone call. Therefore immediate prayer can be offered by many.

Contact 07732473114 for a prayer request or to join the Prayer Chain.

Any one is welcome to join the Prayer Chain.

In addition there is a prayer book placed at the back of the Church for anyone to enter a prayer request they may have.
